I develop for passion so I have few personal projects:

1) Site Timekeepers

Since January 2009, WebMaster of the following site:

<http://www.alexandriakronosport.it>

committed by the association request timekeepers including myself.

Technologies / Skills:

PHP, experience in design, functional analysis, development and management of a project.

2) Server Administrator

Since January 2009, I use a housing service together with a friend of mine, we administer a Centos machine in all its parts, we manage a few sites through the administration interface Plesk for example <http://www.mynickname.org> is on this machine.

Technologies / Skills:

Centos, Apache, Plesk

3) My NickName

Since March 2007, WebMaster of the following site:

<http://www.mynickname.org>

a personal project where I'm doing to create, develop and organize various activities to bring it forward. I have acquired skills for indexing the Web site in various search engines from doing business with excellent SEO results

Technologies / Skills:

Experience in SEO (Search Engine Optimization), PHP, design expertise, functional analysis, development and management of a project.

4) Network Analyzer

From April 2006 to April 2009 I and my friend in his spare time developed a project in C # for a desktop application to monitor network traffic. Using the library "winpcap" the application analyzes the packets traversing the network and making the match with the rules pre-configured to print the log using log4net. The aim is to create speakers analyzing log data. For the syntax of the rules we have created an engine for parsing.

Technologies / Skills:

c #, networking, experience design, functional analysis, development.

DRIVING LICENCE(S)

B license for car

ADDITIONAL INFORMATION

I'm member of FICr (Italian Timekeepers Federation, in Alessandria) since 2004 and this takes me several weekends a year, are also join in the Team Equipe National. In addition to give me personal satisfaction each service is a professional responsibility.

I do not practice sport regularly. I like to travel and the sea (do snorkling). I live with my girlfriend but I'm not married.
